WE SELL WHAT WE RENT

Competitive rates
throughout the season.

GREEN COMMITMENT TO QUALITY

Clean and well maintained equipment improves the professional image and performance of your operations.

To ensure this level of quality service Cooper Equipment utilizes an advanced **'eco-friendly'** Wash Bay System that provides a consistent quality cleaning while eliminating any dirt and contamination from getting back into the city system.

COOPER EQUIPMENT RENTALS

Serving the construction and industrial sector across the Greater Toronto Area since 1972, Cooper Equipment Rentals is a mid-sized independently owned rental service company.

Cooper's main focus is providing compact equipment solutions to construction and industrial businesses working in an urban environment, across the GTA.

Our client base includes private companies as well as large utility and institutional accounts.
